MASON WOODS COMMUNITY ASSOCIATION, INC.
FACILITY RENTAL POLICY

STATE OF TEXAS §
§
COUNTY OF HARRIS §

I. PURPOSE

The purpose of this Facility Rental Policy (this "***Policy***") is to provide guidance regarding the use and enjoyment of the Mason Woods serving room and patio located at 7317 Grand Mason Drive, Cypress, Texas 77433 (collectively, the "***Facility***") by Owners and Occupants of the Mason Woods residential development. The Board of Directors (the "***Board***") of Mason Woods Community Association, Inc. (the "***Association***") has determined that it is in the best interest of the Association to establish this Policy concerning the use and enjoyment of the Facility.

II. APPLICABILITY AND AUTHORITY

The property encumbered by this Policy is that property restricted by the Declaration of Covenants, Conditions, and Restrictions for Mason Woods, recorded under Clerk's File No. RP-2022-378389 in the Official Public Records of Harris County, Texas, as same has been and may be amended from time to time (the "***Declaration***"), and any other property which has been or may be subsequently annexed into Mason Woods and made subject to the authority of the Association.

Reference is made to the Declaration for all purposes. Unless otherwise specified in this Policy, the capitalized terms used in this Policy have the meanings set forth in the Declaration and the interpretation provision set forth in the Declaration applies to this Policy, which definitions and interpretation provision are included in this Policy by this reference.

Pursuant to Article IX, Section A of the Declaration, the Board has the authority to promulgate rules and policies concerning the administration of the Property, including the use of the Common Area.

The Board adopts this Policy, which runs with the land and is binding on all Owners and Lots within Mason Woods. This Policy is effective upon the recording of same. After the effective date, this Policy replaces any previously recorded or implemented policy that addresses the subjects contained in this Policy.

Invalidation of any one or more of the covenants, conditions, restrictions, or provisions contained in this Policy will in no way affect any one or the other covenants, conditions, restrictions, or provisions of this Policy, which remain in full force and effect.

III. FACILITY RENTAL POLICY

The Association is proud of its environment and facilities and is pleased to offer use and enjoyment of the Facility to Members and guests through community group reservations and rentals for private events. Activities and the use of the Facility must comply with the Community Wide Standard established and existing throughout Mason Woods.

In consideration of the privileges of reservation and rental use of the Facility, Applicants (defined below) agree on their own behalf, and on behalf of their agents, contractors, licensees, invitees, participants, and guests (collectively, "***Attendees***"), to be bound by this Policy.

IV. ELIGIBILITY

Reservations and rentals of the Facility are limited to individuals residing in Mason Woods and are for social use only. No events that produce revenue for personal gain are permitted. Only 1 rental event per quarter will be accepted for each Mason Woods Homesite. An eligible individual applying to rent the Facility ("***Applicant***") may not reserve additional dates until the individual's current reservation is complete.

Applicants must (i) be 21 years of age or older, (ii) be a legal Owner or lessee of a Dwelling in Mason Woods, and (iii) show acceptable proof of residence in Mason Woods. All Applicants are required to be Members in Good Standing with the Association (for Applicants who are leasing a Mason Woods property, the property Owner must be a Member in Good Standing).

V. PROCEDURES FOR RESERVING THE FACILITY

To rent the Facility, an Applicant must submit a completed Facility Rental Application and Agreement ("***Rental Application***") to the Association c/o Crest Management Company, via U.S. mail to 17171 Park Row, Suite 310, Houston, Texas 77084 or via email to the Association's assistant community manager at the email address provided on the Association's website as set forth in Article VIII of this Policy. The Rental Application is available on the Association's website. The Facility is available to Applicants on a first-come, first-served basis; provided, however, (i) the Facility may be reserved a maximum of 1 year in advance from the current date (i.e., on January 1, 2024, reservations may be accepted through January 1, 2025); and (ii) all reservation requests must be received at least 14 business days prior to the rental event. A Rental Application may be submitted fewer than 14 days prior to the rental event if the Applicant pays a processing rush fee.

All Rental Applications are administered, reviewed, and approved or disapproved by the Association or its designated representative. Within 10 business days of its receipt of a Rental Application, the Association will advise the Applicant of whether the Facility is available for rent on the requested date and times and, therefore, whether the rental event has been approved. In the event the Association fails to notify an Applicant to confirm the availability of the Facility, the Facility is deemed unavailable. The submission of a Rental Application prior to notification of approval from the Association does not reserve the Facility.

RP-2024-287840

Rental Applications for the rental of the Facility and payment related to same will only be accepted from an eligible Applicant. The person signing the Rental Application must handle all transactions, inquiries, and changes related to the rental of the Facility. The Applicant is required to be present at the rental event and available to the Association during the entire course of the rental event for which the Applicant made a reservation. The Applicant must provide the name and contact information for at least one alternate individual who may serve as a contact for the rental event.

The privilege of rental and use of the Facility is exclusive to the Applicant. The Applicant may not sublease or assign the Applicant's reservation to any other individual, group, or organization, nor may the use of the Facility be for any other purpose other than that which is stated on the Rental Application.

The Association reserves the right to deny a Rental Application based on the Applicant's or the Attendees' previous rental history at the Facility. In addition, the Association reserves the right to deny Rental Applications that are deemed political, divisive, illegal, or immoral, in the sole discretion of the Board.

All Rental Applications are revocable by the Association at any time.

VI. RENTAL GUIDELINES

3. Unavailable Rental Dates; Holiday Rentals. B. Conduct and Compliance with Applicable Laws and Deed Restrictions

Applicant and all Attendees using the Facility must comply with (i) the laws of the United States and the State of Texas, (ii) all rules, regulations, laws, and ordinances adopted by Harris County, Texas, and (iii) Association rules, regulations, and deed restrictions. Applicant and all Attendees will be subject to all applicable law enforcement penalties while on Association premises.

Applicant and all Attendees must conduct themselves in a manner which will not interfere with Association staff or with residents of Mason Woods, or the residents' enjoyment of Mason Woods. Obnoxious, abusive, destructive, reckless, rude, or boisterous behavior will not be tolerated.

Applicant assumes full responsibility for the character, acts, and omissions of all the Attendees attending the rental event which might result in a violation of any of the terms and conditions set forth in this Policy or in the Dedicatory Instruments.

The Association has the right, but not the obligation, to remove from the Facility, any objectionable person or persons. Persons visibly under the influence of drugs or alcohol will be required to leave the Facility and surrounding areas.

C. Facility Details

In connection with the rental of the Facility, Applicant and Attendees are permitted to use both (i) the serving room, and (ii) the patio adjacent to the serving room. During the term of the rental event, the use and enjoyment of the serving room located at the Facility will be exclusive to Applicant and the Attendees; however, the use and enjoyment of the patio located adjacent to the serving room will not be exclusive to Applicant and the Attendees. Applicant and Attendees are permitted to use the adjacent patio in connection with a rental event alongside other Owners and Occupants of Mason Woods and on a first-come-first-served basis. Applicant and the Attendees must use courtesy at all times while sharing the patio with said Owners and Occupants.

D. Rental Occupancy Limits

No more than 2 persons attending the rental event are permitted to occupy the serving room located at the Facility at any one time, and no more than 30 persons attending the rental event are permitted to occupy the patio located at the Facility and adjacent to the serving room at any one time. While the number of Applicants and Attendees present at the patio located at the Facility is limited to 30, due to the non-exclusive use of the patio, Owners and Occupants of Mason Woods may be present at the patio during the duration of the rental event and may, therefore, cause the total occupancy of the patio to exceed 30 persons. In determining compliance with the rental occupancy limits set forth in this Policy, only Applicant and the Attendees will be counted.

E. Parking

Applicant and Attendees must drive and park motor vehicles in accordance with applicable laws and posted regulations. Parking is permitted only in designated areas. There is no guarantee that all parking spaces located at the Facility will be available for a rental event. No street parking or parking along the turn into the Facility is permitted.

Applicant and Attendees are required to remain at the Facility throughout the duration of the rental event. Attendees are not permitted to remain in their cars, in the parking lot, or on the streets or sidewalks adjacent to the Facility except upon arrival and departure. Attendees may not cause excessive vehicle noise or vehicle audio system noise, cause undue traffic congestion, or drive recklessly when arriving or departing the rental event.

F. Poster and Signs

No signs of any sort may be posted throughout the Property or at the Facility and no advertising leaflets, papers, or written materials may be distributed within the Property or at the Facility without the consent of the Board.

G. Equipment

No outside equipment, including personal cooking devices, portable grills, smoker pits, barbeque trailers, smoke machines, inflatable units, and special lighting, is permitted at the Facility or on the premises without the prior written consent of the Association. The Association reserves the right to prohibit outside equipment or rental services from being brought to the Facility if, in the Association's sole discretion, such outside equipment or rental services will potentially create additional risk to the Facility or its furnishings or if such outside equipment or rental services will necessitate additional custodial or staffing services. The Association reserves the right to require additional insurance for any equipment or rental services that are brought to the Facility.

Catering services are allowed to arrive at the Facility 1 hour prior to the rental event. **No heating equipment is allowed inside the Facility except for caterer's heating devices.** Only caterers are permitted to access the Facility one hour prior to the rental event; neither Applicant nor any Attendee may access the Facility prior to the rental event for general set up purposes.

Equipment located in the serving room located at the Facility includes a refrigerator, microwave, warming oven, and television. At the termination of the rental event, all food must be removed from the refrigerator, all dishes must be removed from the dishwasher, and all equipment must be left in a clean condition.

The storage of any supplies or equipment prior to or following a rental event is not permitted.

H. Chairs and Tables

Patio tables and chairs have been installed in the patio located at the Facility and Applicant and Attendees may use the tables and chairs during the rental event. Applicant may bring additional tables and chairs to the Facility for use by Applicant and Attendees if such tables and chairs are needed or desired based on the anticipated number of Attendees at the rental event. Applicant is responsible for the assembly, set up, and breakdown of all tables and chairs brought by Applicant to the Facility and all such tables and chairs must be removed upon termination of the rental event.

I. Music and Sound Levels

The Association may monitor the sound level of musical or sound equipment, and the Association reserves the right to require an Applicant to reduce sound levels if, in the discretion of the Association, such reduction is deemed necessary. Failure to reduce sound levels upon request by the Association may result in immediate termination of the rental event and the forfeiture of the security deposit.

J. Smoking; Glass Containers

Smoking is prohibited at the Facility. Glass containers are prohibited at the Facility, including the patio and parking lot.

K. Alcohol

Alcohol may not be consumed or sold at the Facility. The consumption or sale of alcohol at the Facility may result in the forfeiture of the security deposit.

L. Animals

No animals (other than assistance animals) are permitted at the Facility.

M. Decorations

Only freestanding decorations may be used during rental events. No decorations of any type may be attached to the structures, ceilings, walls, or furnishings within the Facility. No tape, pins, staples, glitter, confetti, rice, birdseed, or candles (except cake candles) are permitted at the Facility or anywhere on the premises or grounds adjacent to the Facility.

All table centerpieces and other decorations must meet fire and safety codes and regulations (i.e., no open flames, except for cake candles).

N. Table Coverings

Table coverings must be used on any table where food, beverages, paints, markers, crayons, or any other liquids will be stored, used, or consumed. Plastic, paper, or cloth covering varieties are permitted and must be provided by the Applicant. No tape or staples may be used to attach table coverings to the tables within the Facility.

O. Clean Up

The Applicant must return the Facility and its furnishings, equipment, and property in substantially the same condition as received. Before leaving the Facility, the Applicant must (i) clear all tables and remove all decorations and personal belongings, and (ii) clean the serving room and patio. Applicant is responsible for disposing of all trash after the termination of the rental event. Two garbage cans with bags will be provided at the start of the rental event. Applicants are responsible for providing any additional garbage bags needed for event clean up. All trash generated during the rental event must be disposed of in the garbage cans provided by the Association for the rental event. No trash may be disposed of in the trash receptacles installed for resident use at the Facility or be stored or left behind at the Facility at the conclusion of the rental event. Applicant must remove all trash from the Facility upon termination of the rental event or pay $20.00 per bag of trash to the Association for the Association to cause such removal.

P. Non-Conforming Events

Rental events that do not conform to the Community Wide Standard (as determined in the sole discretion of the Board), the requirements and standards stated in this Policy, and any violations by Applicant and any Attendees may result in immediate cancellation or termination of the rental event and forfeiture of the security deposit.

Q. Event Security

The Association has the right to require uniformed security officers for any rental event if, in the sole discretion of the Association, it is deemed there is a security need based on factors such as, by way of illustration and not in limitation, the number of Attendees, the average age of the Attendees, the nature of the rental event and activities conducted at the rental event, the hours and duration of the rental event, the presence of live entertainment at the rental event, and past experience with a group.

Cost for security, as determined by the Association, will be included or added to the Facility rental cost. All fees are due at least 14 days prior to the rental event. Failure to make payment at least 14 days prior to the rental event may result in termination of the rental event and forfeiture of the security deposit.

Security officers, if required, will be scheduled by the Association; Applicants are not permitted to provide their own security officers. Security officers scheduled by the Association will be in attendance for the full duration of the rental event at the Facility, beginning a minimum

RP-2024-287840

of 30 minutes prior to commencement of the rental event and ending a minimum of 30 minutes after the conclusion of the rental event. This requirement may be modified at the discretion of the Board. Security officers must be booked for a minimum of 4 hours, including 30 minutes prior to the rental event and 30 minutes after the rental event.

Security officers have full authority to enforce the provisions of this Policy and all laws, rules, regulations, and deed restrictions applicable to the Facility.

If uniformed law enforcement officers are called to the Facility due to a disturbance, the Applicant will be charged for the officers at a law enforcement officer rate equal to 1 ½ times their hourly rate.

R. Additional Requirements for Youth

Rental events for individuals under 18 years of age require at least 2 individuals aged 18 years of age or older for every 5 individuals under 18 years of age present at the rental event. Such individuals aged 18 years of age or older must be present throughout the duration of the rental event, including set up and clean up. Failure to comply with this provision may result in termination of the rental event and forfeiture of the security deposit.

S. Personal Property

The Association is not responsible for any loss of or damage to personal property placed in or at the Facility or on the Facility grounds by the Applicant or any Attendee. Furthermore, the Association is released and discharged from any liability for loss, injury, or damage to persons or property that may be sustained arising out of the use of the Facility and its grounds or by security services.

After expiration of the rental time set forth in the Rental Application, or upon termination or cancellation of the rental event by the Association or the Applicant, the Association may remove from the Facility all personal property remaining thereon and store or dispose of the personal property where and however it sees fit at the cost of the Applicant. The Association is not liable in any way to the Applicant or any Attendee on account of the removal, storage, or disposal of such personal property.

T. Cancellations, Damages, and Security Deposits

1. Payment for Rental Fee and Security Deposit

Payments of both rental fees and security deposits may be made by check payable to "Mason Woods Community Association, Inc." or by money order. NO CASH OR CREDIT CARD PAYMENTS WILL BE ACCEPTED. All applicable fees will be charged for all returned checks. Payments of the rental fee and the security deposit must be made separately. The Applicant must pay the rental fees and the security deposit, in full, at least 14 days prior to the rental event. Failure to pay the rental fees and security deposit in full

RP-2024-287840

to the Association at least 14 days prior to the rental event may result in cancellation of the rental event. **Any rental fees charged for hours that the Facility was not used are non-refundable.**

The amount of the rental fees and security deposit is set forth on the Facility Rental Price Sheet adopted by the Board from time to time (the "***Price Sheet***"). The Board may increase or decrease all fees set forth on the Price Sheet at any time it deems necessary, in its sole discretion. In addition, if the proposed rental event is to include activities which, in the discretion of the Association, create additional risk to the Facility or to the Facility's furnishings, or which necessitate additional custodial services, the Association is authorized to require additional amounts for the security deposit as the Association deems commensurate with the additional risk or services required.

2. Purpose and Use of Security Deposits

Applicant is responsible for all loss of or damage to any property of the Association (including, but not limited to, the pool, playground, site receptacles, lights, windows, and patio furniture) caused by Applicant or the Attendees during the rental event. The security deposit may be used (i) to repair, replace, or compensate for any property of the Association which is damaged or missing as a result of use of the Facility by the Applicant and the Attendees during the rental event, and (ii) to compensate for the minimum number of hours of rental and personnel costs established on the Price Sheet if the Applicant does not show or the rental event is terminated due to violations of this Policy or any applicable laws, ordinances, rules, regulations, or deed restrictions. An additional charge may be billed to the Applicant if damages or staff emergency response exceed the security deposit.

The Applicant must arrive at the Facility 30 minutes prior to the rental event to complete the initial section of the Facility Pre/Post Rental Inspection Checklist (the "***Checklist***") with an Association representative. The Applicant must also complete the Checklist at the conclusion of the rental event. The Checklist is used to ensure clarity regarding the condition of the Facility before and after the rental event. Any issues or deficiencies with the Facility found by the Applicant while completing the initial section of the Checklist must be reported to the Association prior to the commencement of the rental event. Failure to report issues with the Facility or portions of the Facility listed on the Checklist prior to the commencement of the rental event may result in the Applicant being held responsible for the issues at the conclusion of the rental event.

The Applicant must leave the Facility in substantially the same condition as found upon arrival. Applicant assumes liability for the cost of repairing damage or loss to Association property caused by Applicant and the Attendees and agrees to reimburse the Association for all costs which may be incurred in excess of the security deposit for the repair, replacement, or payment for any property of the Association which is damaged, destroyed, misplaced, or stolen by Applicant or the Attendees.

RP-2024-287840

3. Return of Security Deposit; Rental Event Cancellations

If Applicant gives written notice of cancellation of a reservation no later than 14 business days prior to the scheduled rental event, the Association will return the security deposit to the Applicant. If the Applicant cancels the reservation less than 14 business days prior to the scheduled rental event, the Applicant will forfeit the security deposit. The date of notice of cancellation is the date the notice was received by the Association rather than the date the Applicant sent any such notice.

After the rental event, the Association may hold the security deposit for such period of time as is necessary, but not to exceed 30 days, to determine the full extent of damages and to make all repairs or to secure any replacements necessary to return the Facility to substantially the same condition it was in prior to the rental event. Security deposit refunds for completed rental events will be returned to the Applicant by mail in the form of a check issued by the Association approximately 30 business days following the rental event. In the event the security deposit is not used by the Association following the rental event, the Association may return the check or money order issued by the Applicant to the Applicant.

4. Delinquent Payments

Failure of the Applicant to pay any fees due and owing pursuant to this Policy (which fees include, but are not limited to, all fees listed on the Price Sheet, the security deposit, and any additional charges incurred by the Association to repair, replace, or compensate for any property of the Association which is damaged or missing as a result of use of the Facility by the Applicant) constitutes a Deed Restriction Violation, and all delinquent fees may be charged to the Applicant's Assessment account and are supported by the continuing lien created in the Declaration.

VII. LIABILITY INSURANCE AND INDEMNIFICATION

Applicant must carry a homeowner's insurance policy and provide proof of such policy upon request by the Association. Applicant understands and agrees that the Applicant's insurance policy will be primary in the event of a loss or claim related to the use of the Facility. The Board reserves the right to require the Applicant to obtain event insurance as set forth on the Rental Application.

Applicant acknowledges and understands that Mason Woods Community Association, Inc. and TPHTM 529, LLC, a Delaware limited liability company, including their respective officers, directors, employees, partners, agents, successors, assigns, affiliates, members (of an LLC) contractors, subcontractors of any level, sister and parent companies, subsidiaries, and interrelated companies (collectively referred to in this Policy as the "***Mason Woods Entities***") are not insurers and that Applicant assumes all risks for personal injury, loss, or death to persons, including personal property loss or damage, and further acknowledges that the Mason Woods Entities have made no representations or warranties nor has Applicant relied upon any
