SECTION 1

STATE OF TEXAS §
§
COUNTY OF HARRIS §

This Supplemental Amendment to the Declaration of Covenants, Conditions, and Restrictions for Mason Woods, Section 1 (this "***Supplemental Amendment***") is made by TPHTM 529, LLC, a Delaware limited liability company ("***Declarant***").

WHEREAS, pursuant to Article III of the Declaration, Declarant reserved the exclusive right to annex additional property into Mason Woods and to subject the additional property to the Declaration and to the jurisdiction of the Mason Woods Community Association, Inc., a Texas nonprofit corporation (the "***Association***"); and

WHEREAS, pursuant to the terms of Article III of the Declaration, Declarant may subject additional property to supplemental restrictions that apply only to the real property being annexed and may create exceptions to, or otherwise modify, the terms of the Declaration in order to reflect the different or unique character and intended use of such annexed real property; and

NOW, THEREFORE, pursuant to the powers retained by Declarant in the Declaration, Declarant annexes Section 1 into Mason Woods. Section 1 carries with it all the rights, privileges, and obligations granted to the Property initially encumbered by the Declaration, including, but not limited to, the right to be annexed, and is annexed into the body of the Property subject to the Declaration and submitted to the jurisdiction of the Association. charges, and liens set forth in the Dedicatory Instruments, including, but not limited to, the Declaration and this Supplemental Amendment.

Pursuant to the powers retained by Declarant in the Declaration, Declarant designates, declares, adopts, establishes, and imposes the following supplemental restrictions for Section 1:

1. Square Footage Requirements:

All Dwellings within Section 1 must contain a minimum of 1,200 square feet of living area. Living area does not include porches, garages, or non-air conditioned areas.

2. Notices:

Owners and Occupants of Lots within Section 1 are advised that the following conditions exist or may exist within or near Section 1 (collectively referred to as the "***Conditions***"):

a. A number of manmade, natural, and environmentally sensitive areas may exist within or in proximity to the Property, and these areas may serve as habitats for a variety of native plants and wildlife, including, without limitation, insects, alligators, bobcats, coyotes, venomous and non-venomous snakes and other reptiles, deer, armadillos, and other animals, some of which may pose hazards to persons or pets coming in contact with them.

b. Reserve areas exist throughout Section 1, including Restricted Reserves A and B, restricted in their use to landscape and open space purposes.

c. Several lakes or detention reserves exist either in proximity to or within the Property, including Harris County MUD No. 559 Detention Reserve I, more particularly described in that instrument recorded under Film Code No. 699422 in the Harris County Map Records. Owners and Occupants are advised that one or more fountains have been or may be installed in the lakes or detention reserves.

d. Adjacent land that is not owned by the Association or Declarant exists in proximity to the Property, outside of the platted area.

Owners are advised that there may be potentially dangerous conditions that exist within or near portions of the Property, such as, by way of illustration and not limitation, the following: holes, streams, roots, stumps, ditches, gullies, flooding, standing water, erosion, instability of natural topography, insects, reptiles, and animals. It is possible for some or all of these conditions to extend into the Lots within Section 1. Each Owner and Occupant of any Lot, and every person entering Section 1 (i) acknowledges that there are plants and wildlife that are indigenous to the area and are not restrained or restricted in their movements within or throughout the Property; and (ii) assumes all risk of personal injury arising from the presence of such plants and wildlife within the Property. Neither the Association, Declarant, any successor declarant, nor the members, partners, affiliates, officers, directors, agents, or employees of any of the foregoing, have any duty to take action to control, remove, or eradicate any plant or wildlife in the Property, nor are they liable for any injury resulting from the presence, movement, or propagation of any plant or wildlife within or throughout the Property.

RP-2022-447290

OWNERS AND OCCUPANTS OF LOTS WITHIN SECTION 1 AGREE TO HOLD HARMLESS DECLARANT AND THE ASSOCIATION, INCLUDING THEIR RESPECTIVE DIRECTORS AND OFFICERS, AND RELEASE THEM FROM ALL LIABILITY FOR THE EXISTENCE, PLACEMENT, CONSTRUCTION, DESIGN, OPERATION, REPLACEMENT, AND MAINTENANCE OF THE CONDITIONS AND AGREE TO INDEMNIFY SUCH RELEASED PARTIES FROM ALL LIABILITY RELATED TO SUCH OWNER'S OR OCCUPANT'S USE OF, OR PROXIMITY TO, THE CONDITIONS.

Each Owner and Occupant of a Lot within Section 1 acknowledges and understands that the Association, its Board, and Declarant are not insurers and that each Owner and Occupant assumes all risks for loss or damage to persons and property. Each Owner and Occupant of a Lot within Section 1 further acknowledges that the Association, its directors, officers, managers, agents, and employees, Declarant, and any successor declarant have made no representations or warranties, nor has any Owner or Occupant relied upon any representations or warranties, expressed or implied, relative to water levels, safety, any use, or any future change in use of the Conditions.

Owners of Lots within Section 1 grant an easement to Declarant and the Association, including their respective designees, for incidental noise, water, lighting, odors, parking, overspray from fountains, visibility, and traffic that may occur due to the Conditions. There is further reserved for Declarant, the Association, and their designees an easement to the extent necessary over portions of Lots located in proximity to the Conditions for water and overspray of products used to control vegetation within the Conditions.

Declarant and the Association are not responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of the Conditions within Section 1.

Owners and Occupants of Lots that are located in proximity to the Conditions must take care and may not permit any trash, fertilizers, chemicals, petroleum products, environmental hazards, or any other foreign matters to infiltrate the Conditions. **ANY OWNER OR OCCUPANT PERMITTING OR CAUSING SUCH INFILTRATION MUST INDEMNIFY AND HOLD HARMLESS THE ASSOCIATION, INCLUDING ITS DIRECTORS AND OFFICERS, FOR ALL COSTS OF CLEAN UP AND REMEDIATION NECESSARY TO RESTORE THE CONDITIONS TO THEIR CONDITION IMMEDIATELY PRIOR TO ANY SUCH INFILTRATION.**

3. <u>Community Fences:</u>

Community Fences will be constructed on or adjacent to those portions of the following Lots within Section 1:

a. Lots 1 – 7, Block 2, common to Restricted Reserve A; and

b. Lot 7, Block 2, common to the adjacent Harris County MUD No. 559 Detention Reserve 1.

Declarant, the Association, or the Community Fence owner, as applicable, have an easement on the Adjacent Lots for the installation, maintenance, repair, and replacement of the Community Fences.

This Supplemental Amendment may only be amended as provided in Article XV of the Declaration.

IN WITNESS WHEREOF, this Supplemental Amendment to the Declaration of Covenants, Conditions, and Restrictions for Mason Woods, Section 1 is executed as of the 30 day of August, 2022.
